The Banter Club meet at 10.30am on the first and third Thursday of each month *(with the exception of July & August)* at Gosport Masonic Hall. This group is primarily for members and their wives or partners who are over 55 with Masonic connections, and widows of former Masons living in Gosport and the surrounding areas. A wide range of activities are arranged by the Club. We have visiting speakers who talk on subjects, which can be wide and varied, have time for a get together over a cup of tea or coffee and biscuits. Arrange outings to the theatre, day trips to places of interest, lunches, and social events held at regular intervals.

Within the Province of Hampshire and Isle of Wight we have eleven Clubs operating to provide a social contact for brethren, their dependents and the elderly. These Circles provide an invaluable service. For more information about the Banter Club why not visit our website:
